### INDEPENDENT AUDITORS' REPORT

To the Members of Victoria Hospice Society

### Report on the Financial Statements

We have audited the accompanying financial statements of the Victoria Hospice Society, which comprise the statement of financial position as at March 31, 2012, the statements of operations and changes in fund balances and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Victoria Hospice Society as at March 31, 2012, and its results of operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

### Report on Other Legal and Regulatory Requirements

As required by the Society Act (British Columbia), we report that, in our opinion, the accounting policies applied by Victoria Hospice Society in preparing and presenting the financial statements in accordance with Canadian generally accepted accounting principles have been applied on a basis consistent with that of the preceding year.

Notes to Financial Statements

Year ended March 31, 2012

The Victoria Hospice Society (the "Society") is incorporated under the Society Act (British Columbia) and is a charitable organization under the Income Tax Act. The Society's principal activities are to provide palliative care, counseling, bereavement support, research and education.

### 1. Significant accounting policies:

The financial statements are prepared in accordance with Canadian generally accepted accounting principles. The following is a summary of the significant accounting policies.

### (a) Fund accounting:

The Society follows the restricted fund method of accounting for contributions.

The Society receives support from various donors and allows for restrictions on the use of the donations. The transactions of the Society are recorded in the following funds:

### **Operating Fund:**

The Operating Fund is unrestricted and includes general operating revenue and expenses of the Society.

### Capital Fund:

The Capital Fund reports the assets, liabilities, revenue and expenses related to the Society's capital assets.

### (b) Revenue recognition:

Donations are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Unrestricted revenues include amounts received for which there are no restrictions attached by the donor and unrestricted earnings on Society investments. Restricted operating donations are deferred and recognized as revenue in the same period in which the related expenses are incurred. Restricted contributions are recorded as revenue in the appropriate fund.

Donations of life insurance policies are recorded when the funds are received by the Society. The cash surrender value of life insurance policies and changes in cash surrender value are recorded for those policies in which the Society is the beneficiary.

Notes to Financial Statements

Year ended March 31, 2012

### 1. Significant accounting policies (continued):

### (c) Financial instruments:

The Society has classified its financial instruments as follows:

### Cash

Accounts receivable
Receivable from Victoria Hospice and Palliative Care Foundation
Cash surrender value of life insurance policies
Payable to Vancouver Island Health Authority
Holiday pay and accounts payable

held-for-trading loans and receivables loans and receivables held-for-trading other financial liability other financial liability

All financial instruments are included on the balance sheet and are initially measured at fair value. Subsequent measurement and recognition of changes in fair value of financial instruments depends on their initial classification. Held-for-trading financial instruments are measured at fair value and all gains and losses are recognized in the statement of operations and changes in fund balances in the period in which they arise. Loans and receivables and other financial liabilities are measured at amortized cost using the effective interest rate method. All transaction costs incurred on receivables and other liabilities are incorporated in the fair value of the instrument and are amortized to operations using the effective interest rate method.

The Society complies with CICA Handbook 3861, "Financial Instruments – Disclosure and Presentation", for the presentation and disclosure of financial instruments and non-financial derivatives.

### (d) Inventories:

The Society's inventories consist of manuals and books held for resale measured at the lower of cost and net realizable value. Cost is determined on a weighted average cost basis. Net realizable value is determined as the selling price less costs to complete and sell. Adjustments to record inventories at net realizable value are recorded as a write-down under the caption "Publications, courses and services" in the statement of operations and changes in fund balances.

### (e) Medical supplies:

Medical supplies are expensed as purchased.

Notes to Financial Statements

Year ended March 31, 2012

### 1. Significant accounting policies (continued):

### (f) Capital assets:

Capital assets are recorded at cost less accumulated amortization. Amortization is calculated on a straight-line method over the assets' estimated useful lives as follows:

Asset	 Years
Equipment Leasehold improvements Vehicle	5 - 10 lesser of initial lease term and useful life 5

Art works and other capital assets with an expected unlimited life or residual value in excess of cost are not subject to amortization. When a capital asset no longer has any long-term service potential to the Society, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations and changes in fund balances. Write-downs are not reversed.

### (g) Deferred development costs:

The Society incurs costs to develop palliative care medical manuals and courses. The Society's policy is to defer these costs until the course or medical manual development is complete. Once complete, the costs are amortized over a 48-month period, which approximates management's estimate of the future economic benefits from these medical manuals and courses. Costs are carried at amounts which do not exceed the expected future cash flow benefits from the projects. Any adjustments to reduce the carrying values are reflected as additional amortization. Amortization expense is recorded under the caption "Publications, courses and services" in the statement of operations and changes in fund balances.

### (h) Contributed services:

The Society operates from premises and enjoys certain other services provided by the Vancouver Island Health Authority, the value of which is not readily ascertainable and has therefore not been reflected in these financial statements.

A substantial number of volunteers contribute a significant amount of time each year to assist the Society in carrying out its activities. Because of the difficulty in determining fair value, contributed services are not recognized in the financial statements.

### (i) Gifts in kind:

Gifts in kind which would otherwise be paid for by the Society are recorded at the estimated fair market value on date of receipt.

Notes to Financial Statements

Year ended March 31, 2012

### 1. Significant accounting policies (continued):

### (j) Use of estimates:

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Significant items subject to such estimates and assumptions include the carrying amount of capital assets, deferred development costs and inventories. Actual results could differ from those estimates.

### (k) Adoption of new accounting standards:

The Society will be transitioning to the Accounting Standards for Not-for-Profit Organizations contained in Part III of the CICA Handbook-Accounting beginning April 1, 2012. While the financial statement presentation and the accounting treatment of most items will not change from current practice, there are certain transitional provisions that the Society will apply when preparing the first financial statements under the new accounting standards. The impact of these transitional provisions on the financial statements of the Society has not yet been fully determined.

### 2. Life insurance policies:

	Cash	surrender value	Futu	re payout value
9.				
Balance, March 31, 2010	\$	41,373	\$	431,127
Net increase		5,760		(2,598)
Balance, March 31, 2011		47,133		428,529
Net increase	*	6,403		2,281
Balance, March 31, 2012	\$	53,536	\$	430,810

Notes to Financial Statements

Year ended March 31, 2012

### 3. Capital assets:

			 2012	2011
		Accumulated	Net book	Net book
	Cost	amortization	 value	value
Equipment	\$ 828,210	\$ 752,013	\$ 76,197	\$ 106,067
Leasehold improvements	1,402,164	1,148,480	253,684	 337,971

Vehicle	15,000	7,500	7,500	10,500
	\$ 2,269,049	\$ 1,907,993	\$ 361,056	\$ 477,718

### 4. Related organization:

Net donations from the Victoria Hospice and Palliative Care Foundation (the "Foundation"):

A	2012	2011
Operating grant Capital grant	\$ 1,987,954 29,665	\$ 1,532,740 51,877
	\$ 2,017,619	\$ 1,584,617

The Society has an economic interest in the Foundation. The net assets and results of operations of the Foundation have not been included in these financial statements. The Foundation is a separate tax exempt society formed to raise funds for furthering the interests of the Society and to provide operating and capital grant funding to the Society. The Society provides certain administrative services without charge to the Foundation.

As at March 31, 2012, the Foundation's net assets were \$4,451,792 (2011 - \$4,000,004).

### 5. Commitments:

The Society is committed to minimum annual lease payments under various operating leases for office and computer equipment as follows:

2013	\$	65,118
2014	- <b>•</b>	61,800
2015		37,698
2016	8	10,584
2017		7,125
Thereafter		4,956
	\$	187,281

During 2012, the Society made lease payments of \$54,135 (2011 - \$57,511).

Notes to Financial Statements

Year ended March 31, 2012

### 6. Vancouver Island Health Authority:

The Society receives certain services including utilities, laundry services and housekeeping from the Vancouver Island Health Authority (the "Authority") for no charge. The value is not readily ascertainable and has therefore not been reflected in the financial statements.

The Society leases its premises from the Authority at a cost of \$1 per year under a lease which expires on March 31, 2015. The Authority also provided 60% (2011 - 67%) of the operating funding for the Society. Under the terms of the Authority's union contracts, employees with 10 years of service and having reached a certain age are entitled to receive special payments upon retirement. These payments are based upon accumulated sick leave credits and entitlements for each year of service and are the responsibility of the Authority. The Society has responsibility for any and all extra costs and liabilities associated with Society initiated terminations.

### 7. Financial instruments:

The carrying values of cash, accounts receivable, cash surrender value of life insurance policies, payable to the Vancouver Island Health Authority, and accounts payable and accrued liabilities approximate their fair value due to the relatively short periods to maturity of these items or because they are receivable or payable on demand. It is management's opinion that the Society is not exposed to significant interest, currency or credit risk arising from its financial instruments.

### 8. Capital management:

The Society defines capital to be fund balances. The Society is not subject to any significant external restrictions on capital. The Society's objective when managing capital is to fund operations and capital asset additions with a strategy of monitoring operating performance and managing expenditures within the parameters of existing capital to maintain the long-term financial viability of the Society.

### 9. Supplemental cash flow information:
