

Legacy Giving with Compassion

“Leaving a gift to Victoria Hospice is honouring my mom’s memory for the comfort, compassion and support she and our family received during her last days. It’s a heartfelt way to acknowledge our gratitude for the care they provide.”

Legacy Giving

What is legacy giving and why is it so meaningful?

Legacy giving involves leaving a charitable gift as part of your Will or estate.

A legacy gift is a powerful expression of love, compassion, and hope for the future. How you direct your financial legacy speaks to the values you hold dear.

Your generosity can create a legacy that extends far beyond your lifetime, bringing care to patients and families when they need it most.

Victoria Hospice provides specialized care to people living with life-limiting illness and grief. We focus on quality of life through holistic, comfort-oriented care, supporting people's physical, emotional, social, and spiritual needs. Families, chosen families, and friends are included as essential members of our circle of support.

Your legacy gift will:

- ▶ Create a caring and comfortable environment on our 18-bed Inpatient Unit
- ▶ Provide 24-hour crisis support from our Palliative Response Team for patients who are dying at home
- ▶ Enhance our care for patients and families through programs like spiritual care, music therapy and volunteer services
- ▶ Ensure people who are grieving receive the help they need through specialized grief counselling and support groups.

Almost 50% of the funding for our programs and services comes from community donations and legacy giving.

Options for leaving a legacy

There are many ways to leave a legacy gift to Victoria Hospice..

Did you know?

Legacy giving triggers charitable tax credits which, depending on the structure of your gift, can benefit you now or reduce the taxes owed by your estate.

You can structure your gift to minimize or even eliminate the taxable impact on your beneficiaries, allowing more of your money to go to your loved ones. Your financial planner or lawyer can help determine which option is best for you.
